academy
FINANCIAL WELL-BEING

Coach training

Become a Financial Well-Being Coach.

Guide people around money, behaviour and peace of mind. You are trained individually, with a clear method and materials you can use straight away.

40
lessons in 6 modules

Individual
trained by the founder of the academy

FWBA
certification via the Financial Well-Being Academy

Online
with worksheets, exercises and peer review

Why become a coach at the academy?

A growing need
More and more people struggle with money stress and look for someone who really listens.

A clear method
You work with a proven framework and material you can use straight away.

Individual training
All coaches and trainers are trained individually by the founder of the academy.

The option of your own FWBA branch
Not every coach has their own branch. Together we look at whether your own FWBA branch (service point) suits you, and in which region.

How to become a coach

1. Intake and motivation
2. Experience it yourself
3. The training
4. Certification
5. Your own practice

Investment

€3,495 after an intake and a motivation interview

- ✓ The coaching package (the minimum requirement) and the training
- ✓ Guidance and support during your training
- ✓ For your own FWBA branch: support with the start-up, by mutual agreement
- ✓ Start only after an intake call and a motivation interview

Do you recognise yourself?

- ✓ Life or well-being coach
- ✓ (Retired) banker or insurance broker
- ✓ Financial adviser
- ✓ HR professional or confidential counsellor
- ✓ Budget coach

Interested? Start with an intake.

Together we look at whether becoming a coach at the academy suits you.
